Re: United States v. Brian Gutierrez (23 mj 06442)

Dear Judge Willis:

As your Honor is aware, I am counsel to Brian Gutierrez in the above referenced matter, appointed by the Court to represent the defendant pursuant to the provisions of the Criminal Justice Act ("CJA"). This correspondence is to request, with the consent of the government, one additional week to satisfy Mr. Gutierrez's bond conditions. He was given until, October 2, 2023 for satisfaction.

Mr. Gutierrez is presenting an additional potential co-signer to the bond. The government has accepted one of the co-signers and has yet to approve a second. After email correspondence with the government, and, specifically AUSA Jerry Fang, the parties are seeking one more week, on consent, for Mr. Gutierrez to satisfy all the bond conditions. Mr. Gutierrez's ankle monitoring, GPS tracker has been installed and is functioning. There have been no reported violations during the first two weeks of Mr. Gutierrez's release.

This request is GRANTED. SO ORDERED.
